

How to Submit a Matching Gift Request

1. After an employee makes a contribution to the American Cancer Society, the employee asks their employer to match his/her gift to the Society.
2. The employee fills out a matching gift application form (supplied by the donor's company), or submits a matching gift request online through their company's website.
3. The matching gift application form or online verification request should be submitted to the local American Cancer Society office in North Brunswick:
American Cancer Society
Attn: Lacey LaManna
2600 US Highway One
North Brunswick, NJ 08902
4. Once the gift is verified by the company, the company sends the local American Cancer Society office in North Brunswick a check for the match. Payout schedules vary for each company.

If you have any additional questions, please contact Lacey LaManna at 732-951-6344 or Lacey.LaManna@cancer.org.
